Kashif Jilani

Lead Software Engineer at Macrosoft specializing in Microsoft Technologies
Lahore District, Punjab, Pakistan

Summary

I am a Microsoft Certified Solutions Developer (MCSD) and Tech Lead with 15+ years of experience architecting, migrating, and building enterprise software solutions. My core expertise spans modern .NET Core applications, Azure cloud ecosystems (Cosmos DB, Service Bus, DevOps Pipelines), and high-scale system integrations (Stripe, Plaid, MS Graph API). I specialize in establishing organization-level coding standards and driving legacy modernization initiatives from concept to production deployment
